

# Michel Odent

## 11.-13. March 2016

*The world-famous French obstetrician,  
author of the book "Do we need Midwives?"  
in Slovenia for the first time.*

### Program:

The program of lectures is divided into the **professional part**, which is designed **exclusively for healthcare professionals** (midwives, nurses, obstetrician, gynecologist, pediatrician, neonatologists) and will take place on Friday, **March 11, 2016** at the Faculty of Health Sciences Ljubljana, according to the following program:

### **Title: »Simplified strategies in the age of simplified techniques of cesareans«**

The starting point of the lecture are the arguments that led to the development of the concept of "in-labor non-emergency cesarean section".
